

Informational Open House

WATTON PROPERTY

3823 SW WILLOW ST, 98126

Seattle Parks and Recreation invites the community to the Watton property, to learn about the upcoming demolition and restoration of the donated property.

AUGUST 16, 2014
10 – 11:30 A.M.

3823 SW WILLOW ST, 98126

Parks received the Watton property and funding to demolish the house as a reserved life estate donation from George and DeLayne Watton in 1999.

Parks is working to complete the permitting for the house demolition and anticipates demolition to occur mid-September. Restoration of the site and establishment of turf will be completed by April 2015.

Parks will work with the contractor to minimize the impact to the neighborhood during this work.
